

Dr. Moya Hill

Keynote Speaker and Author

**Leading Expert on FOIA, Privacy,
and Records Management**

Dr. Moya Hill is a U.S. Veteran, award-winning thought leader, and leading authority in Information Governance, FOIA, Privacy, and Records Management. With a rare ability to bridge government policy, technology, and organizational efficiency, she helps audiences understand how data, compliance, and transparency intersect with leadership and mission success.

A Harvard Business School-trained executive, Dr. Hill is known for transforming siloed programs into integrated

systems that protect privacy, reduce costs, and build public trust. Her work has inspired federal agencies, private sector leaders, and nonprofit organizations to adopt smarter, leaner, and more ethical approaches to information governance.
